

How to Register via E-mail (Returning Students)

For students that have previously registered with us, simply provide us with the list of classes for which you wish to register.

You will need to find the appropriate Class Code for the classes to which you would like to register. You can **find the Class Code** using one of the class lists provided on the website.

If you are not sure which class your child belongs in, you can always contact the studio at 819-684-9480 or 819-772-0008, or e-mail us at reception@studiodanielle.com

Here's an example e-mail (you can copy/paste this example):

E-mail to: reception@studiodanielle.com

Once we receive your e-mail, we will action it and contact you to confirm your registration request and coordinate payment (in person or telephone).
